

BEST PIECE OF ARTS IN TOWN

The beauty, romance and mystery of life's journeys will be showcased in a collection of work by renowned British artist, Becky Blair, in her latest exhibition, *Backseat Fiction*,

at Gadfly Gallery in Dalkeith. A showcase of oil and acrylic pieces, *Backseat Fiction* reflects her recent travels through the Northern Territory and along the Western Australian coastline, which saw her paint and draw her way from Darwin and Kakadu, to WA's Kimberley region, Broome, Coral Bay and Ningaloo, then down to Shark Bay and the mid-West, before arriving in Perth. The exhibition opens this Friday 1 December and runs until Friday 22.
